What is Going On Tonight.
Windham Encampment, No. 10, I. O. O. F., meets in Odd Fellows hall.
American Benefit Society, Willimantic Lodge, No. 130, meets at 792 Main street.

About 125 members of the Willimantic Chamber of Commerce sat down to the supper at 6:45 p. m. in their rooms which preceded the May meeting of the chamber Tuesday night. The supper was served by members of Violet Rebekah lodge and was thoroughly enjoyed. A short business meeting followed, presided over by President Frank H. Post. The minutes of the last meetings of both the chamber of commerce and the board of directors were read by Secretary M. E. Sullivan. They were approved and accepted. Applications for membership in the chamber of commerce from J. J. Riordan and D. Howard Nolan were read and accepted. The secretary cast one ballot for each and they were declared elected.

Three letters to the chamber of commerce were then read to the meeting by the secretary as follows: One from the local U. S. employment service office, calling the attention of the chamber of commerce to the vital subject of furnishing employment to all returning soldiers. The second letter was from A. M. Potter of Hartford, calling attention to the subject of summer sessions of evening schools to be held in the interests of Americanization. The third letter was from Thomas Jones of New York, offering the services of Captain Chamberlain as a speaker to talk on the League of Nations any afternoon or evening between May 12 and 19th, free of expense. Capt. Chamberlain was well recommended as being qualified to talk on the subject. No action, however, was taken on the matter nor upon the letter pertaining to evening schools.

President Post, with a few remarks, urged the importance of the matter of furnishing employment for returning soldiers and asked that all

members lend their aid on the subject whenever and wherever possible. In the absence of J. P. Risford, the chairman of the rooms committee, President Post spoke upon the situation which has recently arisen in regard to the rooms and building which is at present used by the chamber of commerce for their headquarters and meetings. Briefly it is this: The rooms are rented from month to month without any lease from the owners of the building, Louis Belanger and A. L. Gellman. The latter have recently received two tempting offers for the sale of the building. The prospective buyers will not consider leasing the present rooms to the chamber of commerce, they desiring to use the rooms for other purposes, should they acquire the building. The price asked for the building was considered excessive and too high by the rooms committee. An effort had been made by them to get the price lowered and as there is no other building or suitable rooms for the chamber in the city, President Post urged that a stock company be formed, the members of the chamber of commerce and that they buy the building, every member being urged to take one or more shares of the stock at a value of \$25 a share. The price asked for the building is \$35,000.

Remarks on the matter were made by W. C. Morris and George F. Taylor, the former urging most strongly the purchase of the building, the latter making a motion that President Post appoint a committee of five to meet the present owners of the building and obtain their lowest price; also to endeavor to raise subscription money for \$10,000 among the members, which amount will be necessary to purchase the building plus the mortgage on the same. The motion was adopted. The committee is to make its report at the next meeting.

President Post appointed the following men to serve on the committee: C. F. Risford, J. E. Brick, F. E. Larrabee, G. F. Taylor and G. E. Hinckley. This ended the business of the meeting and President Post then introduced Hon. George B. Chandler of Rocky Hill, who addressed the meeting on the subject of Americanization. Mr. Chandler is a speaker of exceptionally capable and interesting and he held the close attention of his audience during his talk, which lasted over an hour. He spoke in part as follows:

The basis of a successful education in any city is in the right mental attitude of those who undertake to teach it. The people of this country are Americanized and a group of aliens until we understand them and all we know and realize just what these groups can bring to this country. For after all we are getting a great deal from them as not one group comes here without a right degree of civilization. The reason they cannot transmit it to us is simply because they cannot speak the English language. The first principle of Americanization is in giving something from the heart to the alien. While we welcome every race, realizing what they bring, we also have the right to a recognition by every alien of a contract between himself and America. The minute he enters this country, there must be no fifty-fifty in the matter nor no turning back. The speaker went on to say that the man who will come to this country and enjoy its privileges and does not become a full citizen is a disgrace to America. In his heart and soul he is an ingrate and a dishonest man. The speaker quoted Blahen Nlan as giving the one best description of an alien. He said: "A man who is not a citizen of America is absolutely identical with loyalty to one's God and Mr. Chandler further said that he deplored the present internationalism method of Americanization which is being used in home sections. Americanization must be carried through schools. The fundamental of all basic Americanization is in the English language and that the people of the United States have the right to demand that all boys and girls in our schools be taught the mother tongue of America and "no other tongue." The speaker at this point referred to the occurrences in some schools in the west where American children were whipped because they would not talk to study German, all of which was German propaganda carried out by the German-American alliance existing at the time. The speaker thought it was a pretty raw thing and caused many people who knew of it to see "red," and continued saying that the best thing we could teach the alien to this country is to look for a job and then a savings bank. Mr. Chandler brought his talk to a close with a few remarks on the value of the chamber of commerce, both local, state and nationwide. He spoke of the reorganization of the Connecticut State Chamber of Commerce and of its planning and trying to accomplish for the state the same things which are accomplished by the National Chamber of Commerce of the United States, which recently held a meeting in St. Louis, which the speaker attended. The state chamber of commerce aims to protect the future business interests of the state. At the close of his address, Mr. Chandler was warmly applauded and given a standing ovation of thanks by those present.

Charles K. Hitchcock, chairman of the Liberty loan committee of Columbia, wishes it stated that the statement which appeared in Monday's issue of The Bulletin "Columbia expects" is incorrect and is unauthorized.

The Girl Scouts, Troop No. 1, as well as the Boy Scouts, are receiving hearty praise for the showing the former made in the Victory loan campaign. The Girl Scouts obtained subscriptions totaling \$12,499 worth of bonds and the Boy Scouts obtained a total of \$13,300. The record of the Girl Scouts follows:

Madelyn Shepard, 64 bonds ... \$4,800
Mildred Johnson, 33 bonds ... 2,400
Wally Gifford, 4 bonds ... 1,200
Betty Everest, 18 bonds ... 900
Betty Case, 9 bonds ... 600
Doris Noyes, 11 bonds ... 800
Margaret Ross, 6 bonds ... 400
Carolyn Cummings, 7 bonds ... 500
Louise Thompson, 4 bonds ... 300
Florence Wyatt, 5 bonds ... 350
Celia Cohen, 4 bonds ... 300
Margaret Dawson, 2 bonds ... 150
Eleanor Foote, 1 bond ... 50
Jessica Fenton, 1 bond ... 50

Total, 198 bonds ... \$12,499

Revised figures given out Tuesday by Chairman H. Clinton Lathrop of the general committee of the Fifth Victory loan campaign in the town of Windham show that a total of 223 subscriptions were secured, amounting to \$665,000. The quota for the town was \$403,000, a splendid showing.

Three men pleaded guilty to the charge of intoxication in the court Tuesday morning. Judge Post occupied the bench. Frank Dubois, who was arrested early on Tuesday morning, was given a thirty day sentence in Brooklyn jail. William Buckley from out of town was given a similar sentence and Bert Aborn from Coventry was fined \$1 and costs, which amounted to \$7.60. He paid.

Thomas Lyman Albrow, father of Caleb J. Albrow of this city, died Monday morning at his home in Frothingham, R. I., after a long illness with Bright's disease. In addition to his son, he is survived by two daughters, Mrs. Herbert Steadman and Miss Hannah Albrow of Wakefield.

Ignazio William, the two months old son of Mr. and Mrs. Frank Lombardo, of No. 67 Meadow street, died Monday night.

There was a large attendance at the annual meeting of Anne Wood Elderkin Chapter, D. A. R., held in the armory on Pleasant street, Tuesday afternoon. Mrs. Alice J. Bugbee, the regent, gave her report of the work done by the chapter, covering a period of eighteen months up to last February. The report was most interesting and showed great activity in Red Cross and War Relief work by the members of the chapter. The total sum of money subscribed by the chapter and members to the first four Liberty loans as shown in the report was \$18,741. The amount of money which went toward Red Cross and war relief work was \$5,372.56 and for miscellaneous gifts, \$52.80. The number of articles knitted was 1215 and the number sold, 717. All members of the chapter are also members of the Red Cross; one member was vice chairman of the Americanization and public utility committees in her town; other members served respectively in their home towns as chairman of the Red Cross; secretary of the Red Cross; chairman of the woman's committee for the first and second Liberty loans and chairman of the same committee for the third Liberty loan. There are at present 80 members in the chapter. One member was lost through death the past year. The election of officers was held and resulted as follows: Regent, Mrs. Alice F. T. Smith, of West Winstington; recording secretary, Mrs. Nellie W. Crawford of Willimantic; treasurer, Mrs. Lottie M. Graves of Willimantic; historian, Mrs. Agnes C. Wood of South Coventry; and Mrs. Hattie Guild of Windham; board of management, Mrs. Alice J. Bugbee and Mrs. Fanny T. Brown. Mrs. Alice J. Bugbee, the retiring regent, presented a box of beautiful roses by members of the chapter at the close of the meeting.

A large number of applicants for citizenship papers was present at the naturalization session of the superior court in Willimantic Tuesday morning. Judge Gardner Greene of Norwich presided and later addressed the successful candidates for citizenship papers, of whom there were eight: Gustavo Kruger, Joseph Odillon Bergeron, Omar Lafontaine, Henry Morissette, Godias Lamontagne, Emil Desplanche, Emil Jayet and Benoit Archambault.

Judge Greene was warmly applauded by the newly made citizens at the conclusion of his address, which follows:

"Gentlemen: You have been admitted as citizens of the United States and you should understand that you are gaining a great privilege, and assuming the serious responsibility of supporting and defending its institutions. You are now taking the first step toward becoming electors and taking part in the government of this country. This government also exists for the people, that is, for the good of all citizens, and not for any class against the others. Anyone who attempts to create butchery between distinct classes, or to prevent the equal enjoyment of their rights by every class, is unfaithful to the principles of the government.

"For this reason, anarchists, Bolsheviks, I. W. W.'s and all others who are bent upon organized government, or to the equal rights of citizens to make the best of their opportunities and to be protected in the enjoyment of what they have gained, are unfit for citizenship, or for residence in this country, and it will be a part of your duty as good citizens, to oppose all such persons and their evil and undemocratic ideals."

Don't fail to attend the Spanish War Veterans' dance Friday night—

At the opening of the Fifth Liberty loan campaign, a registry book was placed on the desk in the chamber of commerce rooms for the purpose of

having all persons who have participated in or helped in the work of the five Liberty loan campaigns register their names, the list of names to be sent later to the showing the former made in the Victory loan campaign. The last campaign was finished each person might receive a medal made from German cannon. Secretary Sullivan stated Tuesday that the list would be sent in shortly, so if there are any who have not registered and desire one of the medals, they should register at once as this list will be the only one sent in to Hartford. The following names were registered in the book up to Tuesday night:

THE POLICE FORCE OF THE BODY

Day and night—without ceasing—a struggle is going on in your body between the germs of disease and the white blood corpuscles—the police force of the human body.

If this police force weakens, disease germs gain a foothold—sickness follows.

Constipation is the most common and dangerous way of corrupting the human police force. Food waste remains too long in the intestines—decays—poisons the blood—and opens the way for attack by the germs that cause tuberculosis, diphtheria, pneumonia and a multitude of other ills.

The culpable habit of using salts, pills, mineral waters, castor oil, etc., to force the bowels to move, makes this condition even worse, as constipation returns almost immediately.

Nujol is entirely different from drugs as it does not force or irritate the bowels.

Nujol prevents stagnation by softening the food waste and encouraging the intestinal muscles to act naturally, thus removing the cause of constipation and self-poisoning. It is absolutely harmless and pleasant.

Nujol helps Nature establish easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world.

Get a bottle of Nujol from your druggist today and keep your police force on the job.

Warning: Nujol is sold in sealed bottles bearing the Nujol Trade Mark. All druggists, in fact, of Nujol. You may suffer from substitutes.
